Meeting was called to order by Jim Brewer at 11:15 am.

The Systems Transformation Grant update was given by Kristin Burhop. Linda Wyatt informed TLT that the VEA will allow the Easy Access panel card to be included in a regular mailing to VEA retirees. Linda will coordinate with VEA and let Kristin know where the panel cards can be taken for inclusion in the mailing.

Suggestion was made to consider doing person-centered trainings to guardians and caregivers.

The TLT reviewed the Joint Resolution encouraging human services agencies and caregivers to utilize person-centered practices when supporting individuals who use their services. Suggestions were made for improving the Resolution. Kristin will make the edits and send out to all of TLT for a final review. Once final, Linda Wyatt will work to get a legislator to introduce the Resolution.

Molly Huffstetler presented her final report on the State Profile Tool. That grant ends September 30, 2010. Molly has resigned her position at DMAS and has accepted a position at the Office of the Secretary of Health and Human Resources. She will no longer be attending TLT meetings.

Jason Rachel presented on the progress of the Money Follows the Person Demonstration Grant.

TLT asked Steve Ankiel, DMAS rep and lead for CIMRS, to provide information on the cost effectiveness of the waivers. Those documents are attached.

Meeting adjourned at 2:30 pm.
